

FROM OUR PARTNER

Supporting Designers From the Floor Up

Curated, quality, and custom-sized. Ernesta is a home brand dedicated to supporting clients in realizing their creative visions with ease. Boasting high-quality, custom-sized rugs, interior designers may now enjoy new levels of service to meet their needs through personal account support, unlimited 12x12 samples, and preferred pricing.

BECOME A TRADE MEMBER

Concierge Service Catering to the Trade

Design professionals can unlock the creative potential that comes from collaboration with one of Ernesta's account managers. A team of specialists remain at the ready to help clients – manage multiple projects, generate quotes and more – for a streamlined experience that accommodates the most hectic of schedules.

Sampling That Helps You Get It Right

Ernesta offers access to a highly-curated repository of some 280 rugs, showcasing a range of materials, constructions, patterns, colors, and textures. With an abundance of options, unlimited samples allow designers to craft a distinct product at just the right size, with delivery in as little as 2-4 weeks.

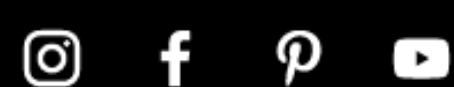

Value Without Compromise

Each bespoke rug yields a large return on investment for both designers and clients alike. And industry professionals can take advantage of additional benefits like trade-only discounts as well as tax exemptions where available.
