BOSS x Ligne Roset

Two celebrated brands join forces to reimagine the iconic Togo chair in a first-of-its-kind two-tone iteration. Combining robust high-quality leather and a soft, refined textile seating surface, the collection is a study in textural contrasts.

Craftsmanship Meets Architectural Comfort

Designed to feel like "suiting for the interior," the Togo fireside chair marries Ligne Roset's signature 100 per cent foam-based construction with BOSS's tailored contrast stitching. Each piece is handcrafted in a harmonious blend of fashion and furniture, perfectly suited to contemporary spaces.
